

Summer Symposium 2020: Spain

RELACIÓN DE ESPAÑA CON AMÉRICA: CONQUISTA, COMERCIO Y LEYENDA NEGRA

Spain in America: Conquest, Commerce, Human Rights and the Spanish Black Legend

June 21–26, 2020 in Cádiz, Andalucía

This six-day program, led by longtime SYA Spain political science teacher Antonio López Piña, includes five "class" days and is designed for adults who are comfortable learning in Spanish. We will explore some of the major themes in the 400-year history of "Spain in America" with an eye toward understanding how this history has influenced American views of Hispanic culture.

The Summer Symposium takes you beyond tourist travel. Similar to the SYA student experience, you'll make intellectual and personal discoveries you couldn't imagine back home. You'll learn from the world, not just a book. You'll reflect on those experiences and ponder big ideas.

Highlights include:

Special registration fee for Member School faculty and staff

Welcome dinner

Lively classroom sessions

Connecting topics to relevant historical markers in and around the city

Excursion to Sevilla to delve into the Archive of the Indies

A surprise farewell event

Visit sya.org/summersymposium for more information, including schedule and fee.

Experience SYA and the world. Again.
