

## Sponsoring an SYA Class Scholar

### History

The Class Scholar campaign was established in 2005-06 to increase SYA (Annual) Fund dollar and participation goals by providing a meaningful incentive for class members. The first Class Scholar, the *Class of France 1980 Scholar*, attended SYA France in 2006-07. Over the past 12 years, 14 classes have participated and 69 Scholars have been named. (See page 2 for a historical list.)

### Criteria

#### **50% of tuition from 25% of the class**

(Criteria below are for the 2017-18 fundraising year, ending June 30, to sponsor a Class Scholar in the 2018-19 school year.)

To name:	Fundraising goal:	Participation goal:
One Class Scholar	\$28,400	25%
Two Class Scholars	\$57,400	35%
Three Class Scholars	\$86,100	50%
Four Class Scholars	\$114,800	75%

### How it works

Approximately 50% of current students receive financial aid with the average award at approximately 50% of tuition. Accordingly, an alumni class needs to **raise at least 50% of current tuition from at least 25% of their class** during a single fiscal year (July 1 – June 30) in order to name a **Class of SYA “Country” “Year” Scholar** for the following academic year.

### Incentive

#### **Remember your experience through a current student!**

During the course of the year, your Class Scholar will write two letters to your class. The first letter will be written just prior to departure and will describe his/her personal background, interests, reasons for attending SYA, and hopes for the upcoming year. The second letter will be written in the spring and will allow the Scholar to describe his/her SYA experience as it actually occurred, and reflect upon what was surprising or significant both in and out of the classroom. SYA will distribute both letters to all members of the sponsoring class.

### Process

Once the fiscal year is concluded on June 30, classes will be notified if they have reached the goals to sponsor a Class Scholar. Working with the Admission Office, the Advancement Office will designate and assign Class Scholars for the upcoming school year to sponsoring classes.
